Software Replication License AV-QXDPA-TE

Software: ATMworks™ 350L Driver Kit

1. GRANT

Digital Equipment Corporation grants you the right to make multiple copies of the Software specified above and the accompanying documentation, provided that:

- You received this license document and accompanying media and documentation from either Digital or an authorized Digital Business Partner.
- You restrict use to trial or demonstration purposes.
- You limit copies to computers that are owned or controlled by you.
- You include the Digital copyright notice on all copies of the Software and documentation.

2. COPYRIGHT

The Software is owned by Digital and its suppliers and is protected by copyright laws and international treaties. Your use of the Software and associated documentation is subject to the applicable copyright laws and the express rights and restrictions of this Software Replication License.

3. RESTRICTIONS

You may not rent, lease, assign, or otherwise transfer the Software on this license to another party. You may not remove any copyright, trademark, or other proprietary notices from the Software or the media. You may not reverse engineer, decompile, or disassemble the Software, except to the extent Digital cannot prohibit such acts by law.

4. LIMITED WARRANTY AND LIABILITY

Limitation of liability: The products and product information furnished hereunder are furnished "as is." Digital disclaims all warranties that may be implied on the products including, without limitation, all implied warranties of merchantability and fitness. In no event will Digital be liable for any damages whatsoever, including loss of data or use, lost profits or any incidental or consequential damages, arising out of or in connection with this license or the use or performance of the products, whether in an action of contract or tort including negligence.

5. NO IMPLIED LICENSE

Except as expressly provided in these License Terms, nothing herein shall be construed as granting you any license or other right, by implication or otherwise, under any patent, copyright, trademark, trade secret or other proprietary right of Digital.
