

**DECbrouter™ 90 Read Me First
Firmware Version 10.3(10)
May 1996**

Dear Customer:

This package contains a CD titled "Network Product Information Library." That CD contains the documentation for the DECbrouter 90 Systems Software. Printed documentation for the DECbrouter 90 Systems Software no longer ships with the product. You may, however, purchase a complete set of printed books by ordering the following documentation kit:

QA-115AA-GZ

To order, please call:

In Continental USA	1-800-DIGITAL (1-800-344-4825)
In Canada	1-800-267-6215
In New Hampshire, Alaska, or Hawaii	1-603-884-6660

International customers should contact the A&SG Business Manager c/o Digital's local subsidiary or approved distributor.
